

February 24, 2018

Dear Committee Members,

I am a graduating senior studying Applied Sociology with a double minor in Psychology and Communication Studies. Throughout my collegiate career I have had the pleasure to work and serve people from all different backgrounds including but not limited to age, ethnicity, socioeconomic status, and gender expression. I am truly honored to be nominated for the Sallie Berretta Outstanding Senior Woman Award.

Through serving, leading, and studying, I have gained an expertise in tailoring my approach to fit each individual student. My involvement with New Student Orientation and Bobcat Preview has put me in the forefront where I am able to be a role model to the incoming freshman and transfer students. I am their first impression of Texas State, hoping to serve or direct each individual's needs where they will be best accommodated.

Alongside serving incoming students, through the University Ambassador organization, I get the chance to be a servant leader to prospective students by hosting Bobcat Days. I am able to serve current students through Student Foundation, by participating in the Veterans Day Commemoration, a celebration honoring those who have served or are currently serving, and by being fully present at Bobcat Pause Memorial Service, a special event to recognize Bobcat who have passed away. Both organizations have also given me opportunities to partake in Bobcat Build, on specific day set out to clean San Marcos, and Bobcat for a Day, a day where San Marcos High School students can get the experience of what it is like to go to college.

With all of my major achievements behind me, I would not have changed any aspect of my collegiate career. I have grown personally, professionally, and academically. I would like to thank you again for considering my application, and I look forward to hearing from you the week of March 20th to schedule an in-person interview.

Sincerely,

Annie Bryant
